I.J. WHITE SYSTEMS  
20 Executive Boulevard  
Farmingdale, NY 11735

Our new Cake Baking System located at Productos Rich in Toluca, Mexico is fully installed, commissioned and baking & freezing cakes. Our customer is extremely pleased with the appearance and operation of the line.

The successful outcome of any project is directly related to the level of conscientious energy put into the project by people like you. Your willingness to support Dunbar Systems, and our customer, throughout the various phases of this project have brought about positive results and have been greatly appreciated. Once again, it has been my pleasure working with I.J. White and all the good people associated with this project.

I have learned many things from my new friends "South of the Border". One I like best is...este no es un adios, sino un hasta luego...this is not good-bye, it's just until next time we meet...

I look forward to working with you again on our next project.

Muchas Gracias por su ayuda (Thanks again for all your help).

Best Regards,  
DUNBAR SYSTEMS, INC.

  
Thomas H. Carper  
Project Manager
