LONGER BELT LIFE
AND LOWER YOUR
MAINTENANCE
COSTS!*

AUTO BELT TENSION (ABT): UPGRADE KIT

This unique patented design applies only the required weight to optimize your system operation.

Longer Belt Life: Reduces unnecessary belt wear

Lower Belt Tension: Smoother system operation, longer belt life

Reduces Belt Wear: Pickets and Rods are under less tension

Less Belt Stretch: Lowers maintenance cost by reducing periodic belt adjustments

(ABT) Upgrade Kit:

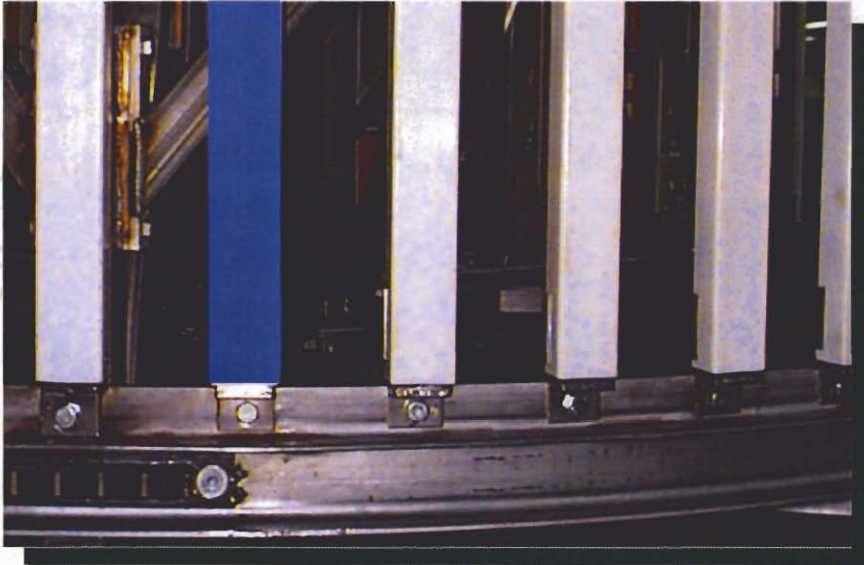

- Custom Stainless Steel Balance System
- Variable Weight Actuator
- ABT Adapting Link
- Custom Mounting Hardware

Installation:

- Quick Easy Installation
- Custom Install Instructions
- Installation Available

"INNOVATION INTO MOTION"
