

I.J. WHITE  
SYSTEMS

# PURE AIR<sup>®</sup> COOLING SYSTEMS

## ULTRA SERIES TECHNOLOGY

I.J. WHITE  
SYSTEMS

# ULTRA SERIES COOLING SYSTEMS AMBIENT AND REFRIGERATED

### Dual Main Drive And Reducer

- Floor Mounted For Easy Access
- Superior Hygienic Design
- Direct Center Drive Available
- Dual Drive Option

### Direct Drive Take Up

- Lower Maintenance Costs
- No Chains, Sprockets, Oils
- Easy To Clean
- Bearings: Easy Access

### Automatic Belt Tensioning® (ABT)

- Increased Belt Life
- Reduces Belt Wear
- Multi Year Belt Warranty
- Less Belt Tension and Drag

### Adjustable Drive Cage®

- Longer Drive Chain Life
- Lower Maintenance Cost
- No Welding Or Drilling Required

### Precision LUB Package

- Increases Drive Chain Life
- Reduces Oil Consumption
- Fully Automatic Application

### Auto Grease System (AGS)

- Reduces Maintenance Downtime
- Lower Maintenance Costs
- Increases Bearing Life

### Broad Range Of Belts

- Cambridge
- Ashworth
- Initalux
- Habasit

### Environmental Control

- Stainless Finish Enclosures
- Ambient or Refrigerated Cooling
- Freon, Glycol, Ammonia
- Air Flow Baffling

### Modular Expandable Cage

- Future Flexibility
- Add Up To 35% Capacity
- Increase Dwell Time
- Long Term Value

I.J. WHITE  
SYSTEMS

# ULTRA COOLING SYSTEMS AMBIENT AND REFRIGERATED

### UltraSlide Frame Design

- Heavy Duty Robust Construction
- Solid Stainless Bar Support
- Open Sanitary Design
- Up to 60" Wide Belts

### Track Glide Z-6000

- Lowers Belt Tension
- Dramatically Reduces Friction
- Six (6) Multi-Point Application
- Eliminates Contamination

### Fail Safe System (FSS)

- Continuous Belt Monitoring
- Protects Belt At Every Level
- Increases Belt Life
- Lower Maintenance Cost

### Track and Cage Wear Strip

- Low Friction Co-Efficient
- Not Brittle Or Rough
- Zero Regrind Polyethylene

### Cleaning Systems

- Typhoon Belt Washer
- Power Wash 2000
- Automated Cage Cleaning
- Total Cleaning System (TCS)

## PRODUCT RANGE

- Bread & Rolls
- Pita
- Buns
- Baguettes
- Croissants
- Bagels
- Pretzels
- Danish
- Sweet Goods
- Pizza Crust

## STANDARD SPECIFICATIONS

- Towers: Single or Dual
- Materials: Stainless / Aluminum
- Spiral Belt Type: Stainless or Plastic
- Drive System: Center or Vertical
- Control Center: NEMA 4X
- Approvals: UL / CE

## PERFORMANCE UPGRADES

- Dual Drive Package
- Track Glide Z-6000
- Auto Lubrication
- Predictive Alert (PMA)
- Total Cleaning System
- Typhoon Belt Washers
- Insulated Enclosures
- Refrigeration Systems
