Subject: Praise for Tracy Moore

Peter,

I wanted to reach out to you and let you know what an outstanding employee you have in Tracy Moore. We've called her with last minute requests several times on this spiral that we are building and she has been able to come through each and every time.

We've called her with partial/incomplete information and she's always been able to sort it and ensure we were ordering the correct item.

As a customer, that level of service and commitment is incredibly valuable and truly appreciated.

She's doing a great job representing your company and I just wanted to pass along my appreciation.

Thanks,

Bob Campbell
